To preview quiz question, go to the teacher site.

First, on the left hand side, select **Lesson list**:

Now, select the subject(2), over arching topic(3), unit of study(4), and video lesson(5):

Next, select the video lesson quiz questions you would like to preview. By clicking on **Expand all**, you will be able to see quiz questions and answers for all 3 quizzes.

Correct answers are indicated with a **check mark** and incorrect answers with an **X**.

To close the quiz question preview, click on **Collapse all**.
